By Tigerbabe (in 4 parts)

In which "Gandalf thinks he knows why Legolas isn't feeling very well."

PESA

Will Dayble

Will thrives in an unstructured environment, loves exploring new ideas, and occasionally makes gut-driven decisions that might appear irrational.

Accuracy confidence: 95%

We found lots of online data for Will, so we're quite sure of this.

Where does this come from?

When speaking to Will...

Tell a few jokes

Emphasize the future

Use self-deprecating humor (don't take act like you take yourself too seriously)

Talk about abstract philosophies or ideas
